19. Acceptance of conditions by Director of the applicant's institute/company

The purpose of the GRÓ GTP scholarship is to support the applicant's institute to enhance its capacity related to geothermal resource development. Please read and accept the following conditions.

- (a) The studies to be carried out under this support will strengthen the research programme and applied research of the country and of this institute/company.
- (b) If the scholarship is awarded, the recipient will receive leave of absence for the study period, and full use will be made of him/her in the field covered by their scholarship on their return. Facilities for his/her continued work will be available.
- (c) The absence of the recipient during the study period abroad will not adversely affect his/her status, seniority, salary, pension and similar rights.

On return from the study period it is proposed to employ the recipient as follows:

Title of position upon return

Signature (Director of institute/company)

Place and date

Official address of the institute/company

E-mail address

Telephone

Fax
